

## Comparing Environments (North West WA) Teacher's Notes

### Student Activity (with worksheet)

- *Some students might recognise these locations. You may want to ask them if they know where they are first.*
- *Ask students why they have decided they were Constructed, Managed or Natural. You might want to help them look for clues, such as if the grass looks like it has been cut by a mower, or not, or if there are buildings.*
- *As an extension they can compare different environments.*

Look at the pictures below and decide if they are Constructed (C), Managed (M) or Natural (N) landscapes.

	
<p>(C) <i>The Esplanade Hotel, Port Hedland</i></p>	<p>(N) <i>Mt Whaleback, Newman</i></p>

## Comparing Environments (North West WA) Teacher's Notes

**(M)** *Koombana Lookout, Port Headland*

**(C)** *Mt Whaleback Mine, Newman*

**(N)** *Karijini National Park*

**(M)** *Port Hedland Gardens*
