

Name _____

Sunlight Source - Student Worksheet

How do you know the Sun is a source of light?

This is a "Think, Pair & Share" activity.

Nothing is ever "proven" in science because ideas may change or new technologies provide insights that were not previously available.

How do you know that the Sun is a source of light? Discuss this with your partner and come up with 3 good pieces of evidence.

1. _____

2. _____

3. _____

Name _____

Sunlight Source - Student Worksheet

Share your evidence with the class

What is the most convincing evidence that **you** think that the sun is the source of light?
