Worship the sun or it will be forever night!

In ancient times (our ancestors worshipped the Sun and the Moon. The Egyptian pharaohs' were said to be the Sun made flesh on Earth and they wore a solar disc in their headdress to signify this. Their Sun god was called Ra and was said to have brought the Earth to life by speaking the names of all living things. Ancient Egyptians noticed that as the position of the Sun changed so did the seasons and the behaviors of animals and the life cycles of plants.
